Sources:-

The major source of institutional receipts is grant in aid received from state government salary of the grantable section.

The college is also entitled to utilize some part of student fees as per the rule for meeting routine non salary expenses.

For un-aided courses (M.A. / M.COM) the source of receipt is the student's educational fees and the deficit is managed by this institute.

With the rapid increase of knowledge and unprecedented scientific and technological development, college is finding difficult to keep pace with the changing needs of users due to the inadequacy of financial resources. In this situation college development not only possible to depend on government funding hence this college is trying to augmenting new areas for resource generation.
