3.2.1 Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge.

Response:

The institute has created an innovative ecosystem to encourage innovation, transfer of knowledge, infuse creativity and ensure the growth of stakeholders as well as the institution. Institution also indulges in innovative practices with the support of research committee, community orientation, and entrepreneurship development. **Skill Development Centre**

Institution has a INCUBATION CENTER in collaboration with Anjuman I Islam's and to enhance skill development, entrepreneurship and employability. Courses offered under FICSI are 1) Baking Technician with Anjuman college of Hotel Management and Hospitality and 2) Fish and Seafood Processing Technician with murud fish processing society.

Research, Conferences, IPR:

Institute indulge in generation of innovative ideas and creation of a thoughtful mind through curricular and co-curricular activities. Research practices have been undertaken through Research Orientation Programs like 'Research Paper Writing Workshop', 'Minor and Major Research Proposal Writing' etc. Every year IQAC of the institute organizes the Multidisciplinary National/ International Conference to inculcate a multidisciplinary approach through exchange of ideas and thoughts amongst the research community. IQAC and Research committee of our college, organizes workshops and seminars on IPR, Patent, and E-content development for faculty members and students.

Publications:

Workshops and seminars are being conducted on Research Methodology to set a conducive atmosphere for innovation. Every year the college participates in 'Avishkar Research Convention' to inculcate research aptitude amongst students. Students and teachers publish papers, books, and book chapters in National and international journals and books respectively.

Certificate Courses:

Institution conducts short-term certificate, Add-on, Value add courses, training and placement programs for the benefit of the students. A number of seminars and training programs have been conducted to encourage students to start their own venture by instilling confidence among them.

Career Guidance:

Institute has organized Career Guidance Workshops, Seminar on Company Secretaries, On Management, and Workshop on Digital Marketing by Whitecode. Institute has conducted training workshops to make students employable. Trainings and educational visits were organized to BSE, RBI (Financial literacy camp) and HDFC.

Training Activities:

Workshop was conducted to expose students to the whole process and importance of vermicomposting. Demonstration and hands-on training experience was given to the students. Vermicomposting associated activities were conducted and emphasis was given on the 5 R's i.e., Refuse, Reduce, Reuse, Repurpose, and Recycle. We have a 'Green Initiative Policy' implemented in the college. Under green Initiative, workshops and seminars were conducted on Marine and Water Pollutants. The biodiversity is preserved around us by sensitizing the students about importance of nature. Department of Urdu and DLLE of the institution in collaboration with Green Initiative Committee organized Fire Safety Training for the faculty and students. Awareness was created about how to use fire extinguisher in emergency situation.

E-Waste Management:

E-waste management programs were conducted to create awareness about reduce, reuse and recycle. COMFEST is conducted every year to encourage innovation in COMMERCE. ICT tools, smart classes, intel-space are being used by the institution to impart outcome-based learning.
