4.3.1 Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Response:

KUMM's Vasant Rao Naik College of Arts & Commerce is devoted to offer a favourable environment to its faculty and students to improvise the teaching learning process in this technological era. The college has adequate IT Facilities which includes 60 computers out of which students have access to 50 computers and 10 computers are for the usage of staff. There is 01 Air-conditioned computer lab with required configuration, UPS and LAN facility. 05 computers with internet facility are made available in cyber library to help the students in research activities, project preparation and for increasing their knowledge through online resources. 05 computers attached with projectors are available in smart classrooms and 05 computers are allotted to NSS/DLLE and Ex-students Alumni. Teachers reference section facility with internet connectivity is made available for the faculty members to encourage the research environment in the college. 04 projectors are installed in different classroom with Wi-Fi facility. 04 smart classrooms with digital board are allotted to self-finance section. CCTV surveillance helps in round the clock safety and security of the students and faculties. 02 Wi-Fi routers and 03 extender are there in the campus at different locations for smooth functioning of computer laboratories, office, and exam-room and for online lectures. To protect the data institute has installed Licensed Anti-Virus software. The institute provides server uptime, backup, network operations, streamlining operations for students and simplifying end-user support. IT infrastructure includes server infrastructure, Wi-Fi, web services and email services. IT infrastructure of college is subjected to regular up-gradation. The budget allocation for IT is in line with the existing requirement and foreseeing the future ones. AMC has been made for computer repair and maintenance. 03 Televisions are placed in the institution. Semester Examination Results are published online. Principal 9.0 software is used for admission and fees collection process are made online from the academic year 2019-2020. The college website maintenance is outsourced. Institute have both LAN and Wi-Fi Internet facility with 40 Mbps (08 connections). Biometric system is maintained in the institute. Staff attendance records are maintained through Mastersoft ERP. Result 10 software is used for all examination work for example hall tickets and results of semester end examination conducted by the college. During the COVID-19 pandemic period all examinations were conducted online as per the instruction of the University of Mumbai by using the paid software's. Tally ERP 9 accounting software is used for maintaining the accounts record. Online meetings and national conferences were conducted through paid version of Zoom software during the pandemic period. The college library is partially automated. College is using SOUL 3.0 software for Library management. The college library provides access to countless e-resources through N-List provided by INFLIBNET to the faculties and students.
