Recommendation for Academic and Administration Audit

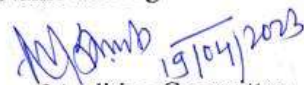

1. Suggested to offer value-added Courses.
2. Continue internal assessment should be implemented effectively through conducting Tests, tutorial and assignments.
3. Student-centric teaching-learning is expected to be streamlined through conducting curricular-related field visits, group discussions, and projects.
4. Teachers are required to take the initiative for Research and publishing Research Papers in the UGC listed Journal.
5. An incubation center should be developed to incubate students for their future fields of profession.
6. ICT Teaching learning should be implemented effectively with advanced ICT tools, number of computers are also required to increase.
7. It is suggested to conduct external financial audits.
8. Seminar Hall should be developed separately as per norms and conditions of affiliating university.
9. IQAC meetings should be conducted frequently, accordingly, documentation should be maintained.
10. The library should be reached with e-journal & automated through an integrated library management system. It is also suggested to have a rare book collection & open educational Resources.
